How to contact the CenterPoint IS Help Desk

Summary:

Need assistance with CenterPoint related software, networks or computing systems? The Information Systems Help Desk phones are open each business day from 8:00 AM until 5:00 PM. All phone and email requests are logged into our ManageEngine ServiceDesk™ ticketing system. We in turn assign these tickets to the IS staff member who can best resolve your request.

Please contact the Help Desk by any of two methods listed below:

By phone:
